REVERTER is reaching its final chapter

After years of collaboration, innovation, and commitment, the REVERTER project is coming to an end this October. At the very end of the month, we will officially close this chapter — but not without a moment to celebrate what has been achieved together.

You are invited to our Final event!

We are delighted to invite you to join us for our Final Event, where we will look back at our journey, share key results, and discuss the way forward. You can be with us **in person in Brussels** or **connect online** to be part of this special occasion.

More info about the REVERTER Final event on the next page.

#EURegionsWeek 2025

October 16, 2025

09:00 – 12:30 CET

Join online or
in-person

The European Week of Regions and Cities (#EURegionsWeek), taking place in Brussels from 13–15 October 2025, is the European Union's largest annual event dedicated to Cohesion Policy. As part of this vibrant week of dialogue and innovation, a special final conference will be held on 16 October 2025 in Brussels.

The renovation revolution: affordable, sustainable and inclusive energy transitions

This event will mark the culminating conference of the **REVERTER** project, we are joining **RENOVERTY** who leans the event and two sister projects **Energy Poverty-0 (EP-0)** and **Giga Regio Factory**. Together, these projects have developed transformative solutions to some of Europe's most pressing challenges in energy efficiency, building renovation, and energy poverty alleviation.

Programme

09:00 - 09:20 Welcome and introduction

09:20 Focus area A

Energy in the urban versus rural context

10:35 Focus Area B

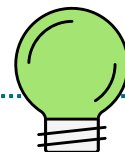

Collaboration as key for scaling up deep renovation, from buildings to neighbourhoods and regions

11:35 Focus Area C

Simplifying the Path to Energy Renovation: One-Stop Shops for Vulnerable Communities

Who can attend?

Everyone interested in energy efficiency and energy poverty alleviation is invited: policy-makers, municipality representatives, organisations working in energy transition and fight against energy poverty and citizens.

Join us online or in-person!
